

Topic

In Summer, we will be learning about the Greeks and the Vikings. As part of the topic we will have two visitors to come and teach us more about how these great civilisations lived. We will also be linking our topic to our writing, writing Greek myths and poetry on Greek monsters. Our P.E will be linked to the Greeks as we will be taking part in Olympic sports.

In Art/D+T we will be making Greek theatre masks, followed by Viking long bots.

Reminders

PE Class 7—Tuesday & Friday

PE Class 8/9—Wednesday & Friday

Prodigy Maths Club: Wednesday and Friday

School fund contribution £10—This will allow us to continue to fund a variety of interesting experiences for the classes.

A break down of how this was spent was sent out earlier in the year.

Expectations

Most of our children look fantastic every day. Please make sure your child is in school on time at 8:45 and in full uniform. For P.E, they need to have appropriate P.E kit. We will be going outside when we can so please have appropriate indoor and outdoor P.E kit.

Alexandra Park Junior School

Year 5

Homework

Homework is given out every week in Year 5. Children are usually given a piece of Maths & English. They are also expected to learn their spellings for their weekly test. Please encourage them to use their TT Rockstars, Prodigy Maths and Spelling Shed logons as well. Please ensure children do complete their homework each week as it does impact on their learning.

The Wider Curriculum

In Summer, we will also be learning about Forces in Science. This topic has a lot of fantastic experiments we can do! We will be taking advantage of the (hopefully) nice weather, and playing rounders. In RE we will be learning about Morality and Justice. In PSHE, we will be learning about Changing Me, with a focus on transition.

Important Dates

22nd April—Bank Holiday Monday

1st May—Photograph Day

6th May—Bank Holiday Monday

9th May—Y5 Greek Day

13th May—SATs Week

20th May—Y3/Y4/Y5 SATs Week

24th May—Summer Singing Square

10th June—Sports Week

21st June—Class 8 Assembly

Thinking Ahead

July—Summer Fair, Reports, Transition

19th July—End of school year
