

12th July 2019

Dear Parents and Carers,

Summer Fair

This year's Summer Fair was a huge success. Thank you to all the parents who attended and joined in the fun to raise money for the school. We will let parents know how much was raised in next week's newsletter along with what the money will be contributing towards. Thank you to Miss Yasmin and all the children and teachers who helped out.

Summer Reading Challenge

Introducing Space Chase, the Summer Reading Challenge 2019!

Prepare for lift off as we travel across the galaxy on a very special reading mission. Grab your space suit and take a giant leap into the library this summer! Children are invited to head to their local library to enter the challenge. All they have to do is read six books of their choice, over the six week holidays. Saturday 20th July, is sign up Saturday. This is officially the first day of the challenge, however you can sign up at any time over the six weeks. For every two library books that children read, they receive stickers and prizes. If they complete the challenge they will receive a medal and a certificate. To celebrate that reading challenge we have some out of this world events, including a chance to meet the award winning children's author Gareth P Jones and to have a go in an inflatable planetarium. For further information, or to book tickets visit <http://www.oldham-council.co.uk/libevent>. All tickets to our bookable events will be released on 20th July.
