Class 10- Thursday

Homework:

Children need to practise their spellings and times tables every day at home. They will have weekly spelling tests at school.

They need to read at home every day. Please ask questions to check that they have understood what they have read and remember to sign their planners.

Other homework may be set on Class Dojo.

Spelling Shed

It is very important that you sign up to Class Dojo if you haven't done so already. You have been sent a text/email invite.

You can see your child's class story and what feedback they receive. Class Dojo is particularly important for children who are self isolating, as they will be able to access the continuing curriculum via this platform.

Homework will be set on Class Dojo too as well as important information sent to parents.
