

# **DON'T TRASH OLDHAM**

**As part of our ‘Don’t Trash Oldham’ campaign council staff will be carrying out a deep clean of your area very soon – keep an eye out for us.**

We’ll be removing all the rubbish, litter and fly-tipping we find because no one wants to live in a tip.

The clean-up is part of an extra **£1.27m** Oldham Council is investing clearing up our borough.

Once we’ve finished it’s up to you and your neighbours to keep your area clean because our staff can’t keep coming back to tidy up.

## Report **flytipping** to us

We'll investigate and if we find evidence linking it to anyone we'll take action – which could mean a fine of prosecution
