

**29th April 2022**

**Dear Parents and Carers,**

## Young Writers Competition

A huge well done to all our pupils who have had their piece of creative writing published in the young writers anthology. These pieces of work demonstrate a talent for writing and were awarded in assembly today.

We also have a large number of pieces of work from children that have been chosen to be published in the next edition. Parents and carers please sign the letter that has been sent out as if we do not receive permission that the work of your child cannot be published.

## Eid

The holy month of Ramadan is nearing an end and the festival of Eid is soon to begin. Muslims all around the world will be celebrating Eid ul Fitr with fervour and enthusiasm. In the tradition of sending greetings and blessings we wish all our children, families and staff a Happy Eid Mubarak. May the festival of breaking the fast put all the magic of love, happiness and peace together and may Allah's blessings be with you today, tomorrow and always.

Just to remind our families that we are closed on Tuesday and return to school on Wednesday 4th of May.

## British Values

Mrs Seabright has been leading assemblies all about British Values as part of our whole school curriculum. We have been discussing personal values, school values and how a country can have values too.

We have been identifying what we learn in school and how they fall underneath the 5 British Values listed below:

- democracy
- the rule of law
- individual liberty
- mutual respect
- tolerance of those of different faiths and beliefs

## Families welcomed back into school

As restrictions are finally lifting we are delighted to announce that larger parental events in school will be back up and running. We will be inviting parents and carers back into the classrooms so that children can share their super learning.

We will be in contact soon with details about our first 'Come and Read with me' session.

The revised COVID risk assessment (in light of the easing of restrictions) is available on our website.
