Dear Parents and Carers,

End of Year Reports

Today parents and carers will have received their child/ren's annual reports. These will be sent via Class Dojo. These reports celebrate children's achievements, general progress and attendance. All parents in year 4 and 6 will have already received their child's Multiplication check result (year 4) and SAT result (year 6).

If parents/carers have any questions regarding the report please do contact your child's class teacher.

Sports Day

The children had a fantastic sports day in the park yesterday. It was lovely to share this with so many parents and carers who joined us. Thank you also to the Sports leaders and Mr Clarke for arranging this. We have recently been informed that the playing fields behind the school are a school asset. The governors are establishing the legalities around this before the field can be safeguarded, maintained and used again. It is unfortunate that the grounds are no longer being maintained by the council, hence the reason why we could not use the land for our usual sports day and other events.

Year 6 End of Term Production

Just a reminder that the year 6 children will perform their end of year production for parents on Tuesday in the school hall at 9.30am. The spectacular is called 'Arabian Nights!' We look forward to welcoming as many parents as possible to share in this super end of term event.
