

7th July 2023

Dear Parents and Carers,

Transition

On Thursday 6th July children enjoyed a full transition day with their new class teacher. It was wonderful to meet the year 2 children and their families who also visited us for the day from Glodwick infants. Most of the year 6 children got to visit their new Secondary schools and we hope to re-arrange for those children that did not take place. Transition is important as children need to know that they are going to be safe and secure in their new class or setting, even if they do have worries or anxieties when they first start. Evidently, the first step to children feeling safe and secure is building those relationships.

Summer Fair

We are very excited to announce the launch of our Summer Fair again.

This will take place on Thursday 13th July from 2pm - 3pm.

Come and join us for an afternoon of fun. There will be exciting events to join in with such as Prime Hoopla, Bouncy castle and food stalls. If any parents/carers would like to book at stall please do get in touch. For more information and contact details please see the attached flyer. All risk assessments for the big event have been verified by the Local Authority.

We thank Miss Yasmin, Mr Clarke and the team for organising such a wonderful event for our school community. All funds raised will go towards our school fence and our OPAL development project.

Sports Day

This will take place on Wednesday 12th July. Children have been informed to come into school dressed in the appropriate colour that their teachers have chosen and with the appropriate footwear (trainers/pumps). If families could ensure that the children have a filled water bottle and if very hot a sunhat and suncream applied. There will also be shelter available if required.

The non-competitive Sports day will take place from 10am - 11.30am on the school field (weather permitting) and parents/carers are welcome to watch.

The colour run is planned for the afternoon at 2.30pm. Slips have been sent out and we must receive this permission slip if your child is to take part.

We welcome parents/carers to take part in this.

Any parents/carers wishing to join any of the above events must sign in through the school office.

End of Trip - Year 6

Just a reminder that year 6 will be going to Gulliver's World on Friday 14th July for their end of year trip. All information regarding this has been sent to parents/carers. We wish them all a wonderful time. Hope they all get wet on the Log Flume!
