

Geography

What's in a region?

- Begin to recognise geographical regions.
- Know the difference between rural and urban areas
- Name and locate some counties and nearby cities (NW and East Anglia)
- Name some similarities and differences between NW England and East Anglia in terms of their physical and human features
- Describe types of settlement, how land is used and economic activity in NW England and East Anglia
- Begin to ask/initiate geographical questions

History

Victorian Oldham

- I know how historic items and artefacts have been used to help build up a picture of life in the past.
- I can research what it was like for children in a given period of history and present findings to an audience.
- I know that children's lives today are different to those of children a long time ago.
The Park
- I know the local area is different to the way it used to be a long time ago.
- I can differentiate between things that were here 100
- I look carefully at pictures and objects to find information.
- I can find answers and respond to simple questions about the past.
- I can choose and select evidence and say how it can be used to find out about the past, years ago and things that were not.
