

Headteacher's Newsletter 14th June 2024

Dear Parents and Carers,

Vocabulary Parade 2024

We are excited to inform children and families about this year's Vocabulary Parade. This has been a huge success over the years and promotes discussion based around the importance of words. The theme this year is linked to British Values and more information is attached to this newsletter. We are looking forward to seeing children in their costumes linked to the theme. This event will take place on Thursday 27th June 2024.

Year 4 MTC

Well done to the children in year 4 for taking part in their Multiplication Check. Miss Varley was really proud of all the children's efforts and well done to all children in school who regularly practice their times tables on TT Rockstars and are great at recalling these facts.

Alexandra Park Parent Governor Vacancies x2

An exciting opportunity has arisen for two committed parents to join our local governing body as parent governors!

Are you a parent or carer of a child at school who would like to contribute to the success of the school and make a real difference in ensuring that our children get the best possible education? If so, we would love to hear from you.

Our governors play a very important role, working in the best interests of our school, but you do not need to be an expert in education!

Parent governors:

- have a privileged and responsible role
- have the opportunity to make a difference for children now and in the future
- have the opportunity to make a difference for other parents and the community and to influence the way in which school works with them
- have the opportunity to learn a lot and develop new skills

We are committed to ensuring that our local governing body is representative of our community and welcome a diverse range of perspectives.

You can see more about the role of school governors in this very brief video [here](#)

If you would be interested in learning more about the role please contact Danielle Hunt on 01612878000 x 2519 danielle.hunt@pinnacleLT.ac.uk or mention it to a member of staff.
