

What have I previously learned?
How to make friends and manage feeling lonely.
Recognising hurtful behaviour.
Recognising what things, we have in common and what things are different, when playing and working co-operatively.

Sticky Knowledge

- Recognise and respect that there are different types of families.
- Being part of a family provides support, stability, and love.
- The positive aspects of being part of a family, such as spending time together and caring for each other.
- Different way that people can care for each other e.g encouragement or support in times if need.
- Identify if/when something in a family might make someone upset or worried.
- What to do and whom to tell if relationships are making them feel unhappy or unsafe.

Vocabulary - Goldilocks words

Word	Definition
Blended family	two families who come together when their parents form a relationship, also called a stepfamily
Extended family	a family that includes others outside the immediate family group such as aunts, uncles, cousins or grandparents.
Nuclear family	a family of two parents and their children
Family without children	a family that doesn't include children
Foster family	a child or children are cared for by an adult/adults known as foster parents
Adoptive family	- a parent or parents adopt children who are not biologically their own, to make a family.

Prompts to help me in my learning
