

Welcome.

Welcome back to a new school year! We hope everyone has settled into year 5. We are excited for the year ahead and hopefully staying in school.

Year Five Team

Class 7: Mrs Yasar and Ms Fozia

Class 8: Miss Mahmood and Mrs White

Class: 9: Miss Powers, and Mrs Safina

PE Kits

Just a reminder that all children are expected to wear their full PE kit for lessons (white t-shirts, black shorts/leggings/tracksuits bottoms and trainers/black pumps). Children come to school wearing their kits on their PE days.

Children will also do the Daily Mile once a week.

Earth and Space.

This half term, our topic is based on both science and geography. We will be learning all about space and planets. As well as discovering facts about the moon landing in 1969.

Our reading text will be a science fiction 'War of the Worlds'. Where we will learn the features then create own story. As well as learning the features of a non-chronological report.

In maths our first topic will be 'place value'. Where we will look at numbers to one million.

We have planned some exciting things such as:

The 'Wonderdome' where we will get to look at the stars and planets.

School Fund.

School fund is £10 for the term, £30 for the year. This pays and covers visitors, trips and activities. School fund is paid via Sims Pay.

Homework

The children will have weekly spellings to learn - they will be tested on these. The children need to read at every opportunity. Reading books are changed when they have completed a book review. On boom reader.

Children can practice their times tables on [TTRock](#) stars and spellings and [Spelling Shed](#).
