

What have I previously learned?

- locate the world's countries, using maps to focus on Europe
- identify the position and significance of latitude, longitude, Equator, Northern Hemisphere, Southern Hemisphere, the Tropics of Cancer and Capricorn, Arctic and Antarctic Circle, the prime/Greenwich Meridian and time zones (including day and night)
- Build up a knowledge of countries and major cities of the world

Vocabulary - Goldilocks words

Word	Definition
Mediterranean	It is a body of water that separates the continents of Europe, Africa and Asia.
Independence	Free from control, and self governing.
paella	Paella is a dish cooked especially in Spain, which consists of rice mixed with small pieces of vegetables, fish, and chicken.
Diverse weather	A great variety of weather in one area/country.
landscape	All visible features of a area of land that looks interesting.
Park Guell	It is a famous park in Catalonia that has gardens of amazing and colourful artwork by Antoni Gaudi.
