

What will I learn:

- Objective 1: I will learn and become familiar with 5 shapes nouns and their determiners in French.
- Objective 2: I will learn and become familiar with 5 more shapes nouns and their determiners in French.
- Objective 3: I will learn more about the 2 determiners for 'a' in French.
- Objective 4: I will revise numbers 1-5 in French and express how many of each shape I can see.
- Objective 5: I will learn how to use my new knowledge on shapes in a variety of creative tasks in French.

Grammar I will be learning in French

grammar

Nouns in French can be either 'masculine' or 'feminine'. Therefore there are 2 determiners (often referred to as indefinite articles) for 'a' in French:

Determiner 'a' for masculine nouns.

Determiner 'a' for feminine nouns.

French vocabulary I will learn:

vocabulary

10 common shape nouns with their determiners in French.

To consolidate numbers 1-5 in French.

1 2 3 4 5

phonics

**oi** sound in: étoile 

&

**guttural 'r'** The 'r' sound in French is guttural made from the back of the throat like in the words 'triangle', 'cercles' and 'carrés'.

**silent letters** There are many last consonant silent letters in French. The final letter 's' is silent in the words 'triangles', 'carrés', 'rectangles', 'pentagones', 'hexagones', 'losanges' and 'lignes'.

Prompts to help me in my learning
