**Sports Day**

A huge thank you to all our families who joined us for Sports Day. This was one of the best we have had! The children really enjoyed all the events and cheered on each other.

We will be sharing the achievements of this in assembly next week.

Thank you to Mr Clarke and the team for organising the event.

**Science share**

Thank you also to all our families who came to participate in our school's Science Share. Thank you to Miss Bradley for organising the event which provides children with the opportunity to develop their curiosity, scientific questioning and a wide range of skills associated with working scientifically.

**Year 6 SAT results**

We are so very proud of our year 6 children for what they have achieved individually in their SAT tests. We must never forget that the test is no measure of the wider achievements they have demonstrated not only this year but throughout their time at Alexandra Park Junior School.

Well done to each and every one of you!

**School Reports**

Families will receive a school report today on their child's progress and achievements throughout the year. This will be sent to families via Class Dojo. If any parent/carer would like a paper copy, then please do ask in the school office.

Well done to all our children for all their achievements this year.
