OPAL Playtime Equipment...

Children will play outside in all weather conditions - this means they will get wet or muddy! It would be helpful to provide a waterproof coat/all-in-one and some wellington boots that they can keep in school.

Children now make your way back to class for some exciting activities.

Attendance

Whilst we understand that children are sometimes unwell and need to be off school, medical advice is clear in saying that children with a mild illness are often well enough to attend.

We are trained to be able to provide Calpol, Piriton and other medications (with parental consent) to support your child in school.

Why is it important?

As we know, academic achievement can lead to a brighter future. We also recognise that it is much more than that; it's about building friendships, gaining life skills and as a community we are stronger together.

Attendance

Why Is It Important?

Children are required by law to attend school for 190 days per year. The Government states that every pupil's attendance should be at least 95%.

Attendance	Days Absent
95%	9 Days
90%	19 Days
85%	29 Days
80%	38 Days
75%	48 Days
70%	57 Days
65%	67 Days

How To Report An Absence

Your child needs to arrive at school each day at **9:30am**. If your child is going to be absent, you need to ring Miss Booth before 10am using the number **0161 770 8321**.

Please note, being late to registration will also lower your child's attendance.

Owl Club...

Owl Club aims to provide a nutritious breakfast and engage children in a number of games and activities before the school day starts.

Owl Club starts at 8:00am and finished at 8:40am every day. Your child can be dropped off at the main entrance where a member of staff will collect them.

A charge of £1 per day is required for owl club. This includes a hot breakfast and supervised activities.

You can request a form to attend Owl Club from the office or Miss Thompson.
