

Principal's Newsletter 4th October 2024

Dear Parents and Carers,

Damage to Parking Buddies

Sadly we have had two of our parking buddies outside school damaged due to a car driving into them and they are no longer suitable for use. These are used to deter drivers from stopping or parking in places that create a potentially unsafe environment for our children and their families near the school entrance.

For those families who drive to school we must ask that if you encounter heavy traffic near our school, it is important to remain patient and avoid aggressive driving behaviours. All adults MUST prioritise safety over speed for the sake of our children.

There is a safety vehicle that will check the area and any unsafe driving in a school zone will result in severe penalties, including fines, penalty points on your driving licence and even disqualification from driving.

Thank you for your support in driving with caution near our school.

The Children's Leadership Team

We are pleased to announce the following children, who were voted by their peers, into the position of the Children's Leadership team. This will be our formal group of children who act as representatives for the children of Alexandra Park Junior School voice.
