

Principal's Newsletter 7th March 2025

Dear Parents and Carers,

Events this week

It was wonderful to have the Royal Institution of Science in this Monday. Children were engaged in learning about science through fun activities and the parent and child event after school was superb! Rockets blasting, bubbles bursting into flames and even a demonstration of how forces work with a magic trick! Children and parents had lots of fun.

Four of our classes performed at the annual Choral Speaking Competition at the Queen Elizabeth Hall on Tuesday. Children were a little nervous but they used this energy to fuel a fantastic performance and they did themselves proud. Thank you to the teachers for taking the time to practice.

Children enjoyed coming to school in their World Book Day outfits and pyjamas on Thursday. Every child received a book to take home and thank you to the office for arranging for each child's book token to be spent on a great book. Thank you also to the parents/carers who came in to read with their child at the end of the day.

Individual Photographs

Next week on Thursday 13th March will be individual photographs day. Children are to wear their uniforms and will have their photos taken either individually or with siblings in school.

Let's get reading - BOOM Reader

"If you are going to get anywhere in life you have to read a lot of books." - Roald Dahl

Well done to all the children and families who have logged onto Boom reader. We are pleased to announce the most home reading logs recorded on Boom reader this week.
